There will be NO Pre CanSkate for the Fall 2020 season

Junior CanSkate is for those that have not yet passed our PreCan program but can fall down, stand up, and move forward unassisted. They will be using the CanSkate circuits, but will be given extra help and fun activities to do.

All of our recreation programs will be following social distancing guidelines.
 This means that no hands on assistance will be provided
 All skaters MUST be able to fall down, stand up, and move forward unassisted.
