Spectators are not currently allowed in City of Edmonton recreation centres. Parents will need to drop skaters off before the session, and pick them up once the session is complete. Skaters must be able to get on and off the ice without hands-on assistance and use the bathroom by themselves.

All of our recreation programs will be following social distancing guidelines.
 This means that no hands on assistance will be provided.
 All skaters **MUST** be able to fall down, stand up, and move forward unassisted.

There will be NO report cards for the Spring 2021 season.
