SKATE CANADA AND GATEWAY CLUB MEMBERSHIP			
When paying for the Skate Canada fee, you are acknowledging to make Gateway Skate Club your home club. Skate Canada fees have gone up this year. \$20 each going to Sectional and National. \$3 Safe Sport fee and Insurance. Total of \$45			
MANDATORY FUNDRAISING			
We have two confirmed mandatory fundraisers so far this year. Each skater is required to purchase \$100 worth of grocery gift cards (Sobeys or President's Choice) at the time of registration. Cards will be distributed in September and October. These cards do not receive member credits.			
We will be doing a Mom's Pantry cookie dough and muffin batter fundraiser. Each skater must sell at least \$75 worth of product (which is only 4 tubs of cookie dough). There are 8 different cookie doughs, 4 muffin batters and 2 spreads to choose from. If selling is not your thing, you can opt out and pay \$50. More information to follow.			
In summary, when you register on Uplifter (your gateway account) you will be automatically billed \$100 for grocery gift cards and a deposit of \$50 for the Mom's Pantry fundraiser. Those that sell the required amount of Mom's Pantry product (\$75) will receive their \$50 deposit back after the fundraiser is completed.			
If circumstances arise that force the club to implement additional club fundraising ventures, mandatory participation by the membership will be required. Please see attached document for optional fundraising.			
MANDATORY SHIFT HOURS			
Gateway Skating Club will require each skating family to fulfill mandatory shift hours per skater. The club is run primarily by volunteers and more hands make less work for everyone. There will be a wide variety of jobs available to choose from and information and training will be provided. None of the jobs are difficult. The number of hours required depends upon the category of your skater. If you do not complete your hours by May 8th, 2020, you will be charged \$150.			
Junior Academy/Junior Academy 2 hours	Intermediate C 4 hours	Intermediate A/B 6 hours	Senior A/B 8 hours
GENERAL INFORMATION
